## February Highlights

- 1) Congrats to all of our Star Students, AR reading and Granum Greatness winners from February's assembly. Great work everyone!
- 2) Congrats to the Jr. High basketball team. They finished second in the league this year. Great job team!
- 3) It was great to have author Sigmund Brouwer back for another presentation at the school. Students enjoyed his engaging presentation and they walked away with a signed book!

Have you checked out our website lately? You can see it at [granumschool.ca](http://granumschool.ca). We have been working hard to keep the site up to date with new photo galleries, an active calendar, our Small School, Big Heart campaign, links for registration, and Livingstone Range School Division news. There is lots of other information and documents as well. We encourage you to go have a look!

Did you know that during our monthly student-led assemblies the classes take turns sharing their 7 Habits learning with the rest of the school? Last month the K-3 class put together a great video where they spoke to what each of the habits meant to them. You can check out the video on our Facebook page or on our website! Feel free to ask your kids what the 7 Habits mean to them.
