

School Supplies

Granum School - Kindergarten

2024-2025

Here is a list of school supplies that your child will need for the school year. Please send these supplies with your child on the first day of school. Please note that I have included specific brands for some items as these are items that work the best in our classroom. For example, the pencils I asked for you to purchase may cost more but they last way longer and sharpen in our electric sharpener. Also, there is no need to label each item as we do that at school!
